

Claim Your Credit!

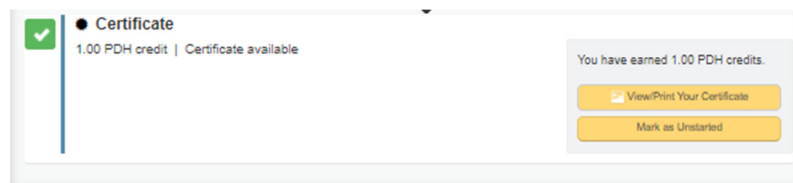

Upon the completion of a live or on-demand webinar, you will be able to claim credit....

There are a couple of things to note, before starting the claim credit process.

- 1.) Be sure you are signed into your IECA.org account and using either Google Chrome or Firefox when claiming credit.
- 2.) Make sure you have completed all components of a course, live or recorded sessions, surveys, etc. Look for the green checkmarks!

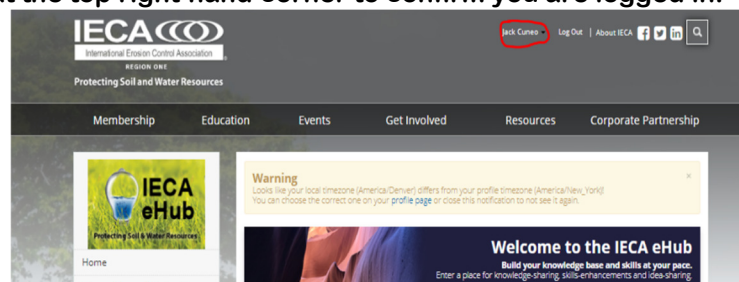

If you are wanting to claim credit directly after watching an event simply click on the certificate/claim credit button and the view/print certificate button will appear.

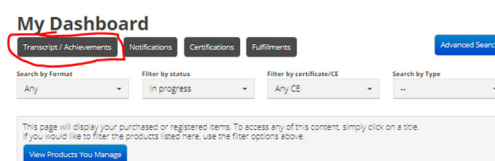

If you are wanting to claim credit for a webinar you watched in the past, follow these simple steps to download your certificate of credit.

- 3.) On the left-hand navigation Click on "My Dashboard."
